

## Welcome to 2022!

Alissa and Carla are excited to work with the Year 4 group again this year, building on our highs and working through our lows as a team.

This letter is to give you and your child a bit more information regarding what is happening each term, and some special events throughout the year.

### Who are we?

Our names are Alissa and Carla, and we are the Year 4 Group Leaders! Alissa has worked with this group since they were in Kindergarten and Carla joined the team in 2020. We are both excited to continue working with this group in 2022 and are eager to see everyone return after the holidays. 😊

Alissa

Carla

### Cooking

Unfortunately, due to COVID-19, cooking for Year 4 will be on hold until Week 4 when the team will evaluate whether this will go ahead later in the term.

Should cooking go ahead, there will be multiple cooking days in Year 4's designated week so that everyone has the chance to participate.

It is our aim this year to use these cooking activities to enhance Year 4's skills and promote healthy choices.

If your child or family have any ideas for our cooking, we encourage you to chat to Alissa or Carla at the centre!

## Computer Room Schedule

Unfortunately, due to COVID-19, computer time for Year 4 will be on hold until Week 4 when the team will evaluate whether this will go ahead later in the term.

Should computer time go ahead, our year group will be able to use the computer room (Monday – Thursday) for one week during the term.

## Special Events (Term 1, Term 2, Term 3)

During Term 1, Term 2 and Term 3 the group leaders organise a special event for their year group. These events vary and depend on things like:

- Goals we're aiming to achieve
- Preferences of the group
- Appropriate levels of challenge

Ideas are gathered throughout the term and the date will be shared with the group ahead of time. If your child or family have any ideas for our special event, we encourage you to chat to Alissa or Carla at the centre!

## Special Events (Term 4)

Term 4 is a very busy time for Funhouse, this is why the group leaders combine ideas and facilitate one big special afternoon for all children to be a part of.

## What do we aim to do for our group?

The aims of the group leaders revolve around:

- Being a consistent source of support for the group when needed
  - Being around to share in the fun!
- Listen to the groups wants and needs and program experiences around these
  - Ensure each child feels valued and a part of their group

If you have any suggestions or would like to chat about your child's progress at Funhouse, please let us know. We welcome all family input alongside our group's ideas into the goals we create!

## How to contact us:
