

Dear Year 6 Families,
Welcome to 2022!

We are so excited to be working with Year 6 this year. We are looking forward to having an amazing year and making their final year at Primary School and Funhouse one to remember!

This letter will provide you and your child with more information about our plans for the year and give you an idea of some of the special activities we have in store.

WHO ARE WE?

Our names are Nicola and Jelena and we will be leading Year 6 this year. We have loved seeing our eldest Funhouse children grow and thrive throughout the years and are so excited to see what this year brings for them.

WHAT WE DO FOR OUR GROUP

The aim for us as Group Leaders is to:

- ★ Be there for our children as constant support and someone they can rely on.
- ★ Work with our children to provide a happy, comfortable experience at Funhouse.
- ★ Share fun, exciting experiences with them, especially our special events!!
- ★ Ensure our children feel, valued, listened to and safe by programming experiences around their needs and wants as well as promoting an inclusive group environment.

SPECIAL EVENTS TERM 1, 2, 3 & 4

Throughout the year, Group Leaders organise special events for their year group. These events vary as we are guided by:

- ★ Our goals for our year group.
- ★ Suggestions and feedback from our children.
- ★ A combination of challenge and fun.
- ★ The My Time Our Place Framework & Planning Cycle.

We are planning to have lots of fun and coordinate age-appropriate activities for our Year 6 group. We recognise that these children enjoy more mature experiences than a lot of the ones we regularly do at Funhouse so that they are challenged, excited, and engaged.

You can expect a mix of indoor and outdoor activities to help build the individual skills of the children and promote teamwork whilst still having fun. Due to the current global state and health concerns present due to COVID-19, some of our may have to be postponed or altered depending on current health advice.

Regardless, the children will still experience a year to remember as we greatly value our time with the Year 6s. We will do everything we can to ensure their thoughts are heard and we leave them in the best place possible to begin their new journey into high school.
